

INTERAC Online MERCHANT APPLICATION FORM

Required Data Field Definitions

If you have any questions about this application, please call 888.472.0811

Funded URL: This is the web address(es) to which the cardholder may be redirected by the issuer once the funds have been guaranteed (approved). Hint: Transaction approved page.

URLs:

- must begin with https://
- must have a valid "authority", such as "Acxsys.com" or "Online_merchant.ca"
- may have a "path", which can contain the following special characters: ; ? : @ & = + \$, _ ! ~ * ' () %

Non Funded URL: This is the web address(es) to which the cardholder may be redirected by the issuer should the funds not be guaranteed (declined) or should the transaction be cancelled. Hint: Transaction declined/cancelled page.

URLs:

- must begin with https://
- must have a valid "authority", such as "Acxsys.com" or "Online_merchant.ca"
- may have a "path", which can contain the following special characters: ; ? : @ & = + \$, _ ! ~ * ' () %

Note: If desired, the FUNDED URL and NOT FUNDED URL can be the same, and the Merchant's Web application can check the form post field contents to decide which way to proceed.

Referrer URL: Enter the Merchant's web site URL(s). Form posts sent from the Merchant to the Gateway are validated against the referer URL(s) to ensure that the post is in fact coming from the URL(s) of your Merchant web site.

URLs:

- must begin with https://
- must have a valid "authority", such as "Acxsys.com" or "Online_merchant.ca"
- may have a "path", which can contain the following special characters: ; ? : @ & = + \$, _ ! ~ * ' () %

Note: Merchant form posts are only validated against the root URLs submitted here. For example if your form post is <http://www.myEcommerceSite.com/funded> it would validate against your referer of <http://www.myEcommerceSite.com> conversely, <http://www.mywebsite.com/funded> would fail.

Merchant Category Code (MCC): Your MCC is a 4 digit industry code assigned by card companies to track the type of business or industry you are in. Check your merchant account records for this code. If you can not find your MCC phone us at 888.472.0811.

English Name: Enter the Merchant's English name as it will be displayed on the Gateway page and in online banking when the language is English.

French Name: Enter the Merchant's French name as it will be displayed on the Gateway page and in online banking when the language is French.

English Logo: Provide a valid URL to the Merchant's English logo.

French Logo: Provide a valid URL to the Merchant's French logo.
